

February 28, 2017

Dear Donor:

Please be advised that there is an error on the official charitable receipt for the donations you made in 2016. The **Date Receipt Issued** is incorrect. It states the date of issue as February 12, 2016.

Please note that the correct date of issue should be February 12, 2017. Therefore, please attach this letter to your receipt if you have occasion to submit it to CRA.

The date issued line on your receipt should read:

**Date Receipt Issued: February 12, 2017.**

This correction affects receipt serial numbers 2016001 thru 2016080.

Thank you for your understanding.
