WORSHIP SERVICE 10:45-noon:

Come, join in worship as we seek to glorify God with our praise, prayers, meditations, and as we celebrate the Lord's Supper together. Today we are led in worship by Flori with Pastor Ken Peters bringing a message titled, "Come and See" (John 1:43-51). Children are invited to an activity time downstairs during the sermon.

To join in worship via 'Zoom' - please contact [Pastor Ken Peters](#) for a link.

WINTERY WEATHER?! In the event that weather and/or poor road conditions do not permit us to gather in-person, we will instead worship together via Zoom, using the link noted above. Please check the [web homepage](#) for a 'Snow Update' (Sundays 8:30am), if the weather seems questionable.
